ENCOMPASS LIGHTING DONATES 1,025 POUNDS OF FOOD TO THE GREATER CHICAGO FOOD DEPOSITORY

SKOKIE, IL, JUNE 30, 2009 – Encompass Lighting Group recently participated in the “*One City, One Food Drive*” campaign for **THE GREATER CHICAGO FOOD DEPOSITORY**. Our family here at ELG demonstrated an overwhelming level of generosity, and we far exceeded our goal of 345 units of food raising a total of 1,115 units or 1,025 pounds. In response to our donation, we recently received the following thank you note from Kate Maehr, Executive Director of The Greater Chicago Food Depository. Particularly during these challenging times, we at ELG are grateful for what we have, and know that those less fortunately could use our help. We look forward to participating in our next food drive and supporting our local community.

HELPING THE HUNGRY FOR 30 YEARS

Dear Mary,

On behalf of all of us at the Greater Chicago Food Depository and the people we serve, thank you for your participation in the “*One City, One Food Drive*” campaign. Your time, energy, and support make it possible for the Food Depository to ensure that the 500,000 hungry men, women, and children in our community who turn to pantries, soup kitchens, and shelters for emergency and supplemental food each year, will not go hungry. Food drives are an important source of nutritious food for our hungry neighbors. The 1,025 pounds of food that Encompass Lighting collected will provide 771 quality meals for the hungry in our community.

The problem of hunger in Cook County is too big for the Food Depository to handle alone. Fortunately, each year, thousands of individuals, corporations, and organizations join the Food Depository in the fight against hunger by organizing food drives to collect food that is needed in our community.

Thank you for joining in this community response to make a difference in the lives of your hungry neighbors. We look forward to working with you again. Because of you someone will eat today.

Sincerely,

Kate R. Maehr
Executive Director
